WORK EXPERIENCE

HR & Administrative Executive | Namakkal, Tamil Nadu

Feb 2019 – May 2024

- Supported HR operations including staff onboarding, employee record maintenance, and internal query resolution for a multi-departmental workforce of 100+ employees, maintaining 100% data accuracy and strict statutory compliance.
- Managed central employee and corporate databases, coordinating with department heads and executive leadership to ensure seamless communication and consistent HR record-keeping.
- Redesigned digital document retention and filing systems, cutting record processing and retrieval turnaround time by [X]% (add your figure here if known).
- Served as first point of contact for staff onboarding paperwork, HR-related queries, and routine operational issue resolution.

ACADEMIC PROJECTS

Project Lead – Impact of Digital HR Systems on Employee Efficiency

Feb 2026 – May 2026

- Conducted primary quantitative research analyzing HRIS adoption rates and their direct effect on employee productivity.
- Applied Advanced Excel and AI-assisted data tools to process complex survey data sets, run trend analysis, and evaluate operational bottlenecks.
- Designed visual KPI dashboards and presented data-driven recommendations on workflow automation and digital HR training initiatives.
